

## NASA satellite launching from CCAFS in October

## Share your thoughts about NASA values in essay contest

▲ **ELV Update:** The Observatory Integrated Systems Test is under way on the **Swift** satellite in Hangar AE. This is an unabridged performance evaluation of the spacecraft's onboard systems. Swift is scheduled for launch Oct. 7 from Pad 17-A on Cape Canaveral Air Force Station.

Last Monday, the Delta IV booster for December's GOES-N launch arrived by barge and was transported to a hangar at Launch Complex 37, CCAFS, the following day.

### ▲ **NASA Values Essay Contest:**

The "Living the NASA Values" essay contest is now under way! Win prizes and have your essay published in the

*Spaceport News!* Just write a short essay of 300 words or less about one of the NASA Values: Safety, The NASA Family, Excellence or Integrity. Describe in your essay what the value means to you and provide an example of how that value has been demonstrated here at KSC.

This contest is open to ALL employees of KSC. Submit entries in a Word document attached to an e-mail message and send to: [ValuesEssayContest@ksccms.ksc.nasa.gov](mailto:ValuesEssayContest@ksccms.ksc.nasa.gov). Deadline for entries is midnight Aug. 29. Go to the Star Alignment Team Web site at

<http://www.ksc.nasa.gov/nasa-only/SAT/index.htm> for more information about prizes and contest rules, and select the Essay Contest link; or contact Michael Bell at 867-3312.

■ **Reminder — KSC Bi-Annual Environmental & Energy Awards Nominations Due at Close of Business Aug. 20.** The award is given to an individual or team recognizing their contributions and/or successful operations in preserving the environment, conserving energy, and reserving natural resources while reaching for the stars. The categories are: (a) Affirmative Procurement, (b) Education, Outreach and Awareness, (c) Energy Conservation, (d) Environmental & Energy Leader, (e) Hazardous Waste, (f) Historic/Archaeological Preservation, (g) Natural Resources/Habitat Conservation, (h) Recycling, (i) Waste Prevention, and (j) Water Conservation.
